

GRAND PRIZE

1974 Piper PA-28-151 Warrior

This sporty four-seater stands out for its great handling, spacious interior in excellent condition, and striking white exterior with jaguar green and gold stripes. With just over 6,000 hours total time — and only 450 since major overhaul on its upgraded 160-horsepower engine — it boasts brand-new Garmin IFR avionics integrated with its two-axis autopilot and a fresh annual inspection. Perfect for earning your private pilot license, working on an advanced certificate or ratings — or flying off to your next adventure!

MEET CJ

We fly 7-year-old CJ and his mom, Leigh, from their home in central Kansas to Shriners Children's St. Louis for treatment of clubfoot. Before Leigh learned about Wings of Hope, she would drive CJ to St. Louis (eight hours each way!), leaving right after work and stopping in Kansas City for a few hours of sleep before driving to his appointment and turning around the same day to head back home. Flying with Wings of Hope has turned a grueling drive — with a very active little boy — into a quick two-and-a-half-hour flight. "Wings of Hope has been incredible," says Leigh. "And Shriners takes the best care of him. Even though it's far away from us, this is where he needs to go for his treatment."

100% of the proceeds from this airplane raffle support our mission of changing and saving lives through the power of aviation — thank you!
